Is a call in order to prep for the June 12 CAG meeting? Alice and I would like to know what the agenda looks like and what your expectations for EPA are at this meeting. Also, there is the HEP CAC meeting from 2 – 5 PM earlier in the day at the Van Buren Branch of Newark Library. Do you envision any Passaic CAG members attending that meeting? We are available this week for a brief call. Wednesday afternoon and all day Thursday are good for me.
